Introduction on Private Sector Climate Action

Pietro Bertazzi,
Global Director, Policy Engagement
CDP is a global environmental non-profit helping investors, companies and cities assess their environmental impact and take urgent action to build a truly sustainable economy.
DISCLOSURE → ACTION

- Corporate Disclosure triggers action
- Widely accepted in international policy arena
  - Rio+20 - Para 47
  - SDG - 12.6
- National policy and regulation corporate transparency
WHO DISCLOSES TO CDP

TOTAL DISCLOSING COMPANIES
